

Building Our Foundation... One Brick at a Time

Cooperstown Medical Center

Don't miss this unique and rare opportunity for you to have your own personal name, inscription, company name/logo or other statements permanently showcased in our Resident Courtyard! The courtyard will be located in the north side of the nursing home and will showcase a walking path, gardens, and a gazebo for residents and families to enjoy.

Funds from the 2009 Tree of Lights will also be used to create the courtyard area for the residents.
